Grade : K3

Activity Name

Outreach Interactive Seminar (Story : Polar Sports Challenge)

Activity Objectives

- Understand the impacts of climate change through the story of Whiskers and Friends joining the Polar Sports Challenge
- Explore solutions to save energy
- Enhance children's awareness of national ecological security.

Activity Description

- We invited "Hong Kong Ocean Park" to our school to conduct an Outreach Interactive Seminar for schools in storytelling format with "Polar Sports Challenge". Through this story, children learned about the needs of animals living in polar regions. Interactive games were also incorporated to help them understand the relationship and impact between humans and animals. This initiative deepened the children's awareness of national ecological security and cultivated their love for animals and the environment.
